

I WILL GIVE THANKS

WORDS AND MUSIC BY JOHN FINCH

When I was in shackles You found me
When I was a sinner You saved me
You call me friend
You gave me a chance to start again

I know this is part of my story
I know You're still writing it for me
Grace upon grace
Great is Your faithfulness to me

I will give thanks, I will give thanks,
Thanks be to God for Your goodness
I will give thanks I will give thanks
Your mercies are new, new every morning

Now I have a reason to praise You
I have a reason to worship
Your breath fills my lungs
And all that's within me will bless Your name

My soul will sing, with everything
My praise is how I say thank you

I love you Lord, with all my heart
Cause You're so good to me, You're so good
