

# LET FAITH ARISE

WORDS AND MUSIC BY JOHN FINCH AND  
MCKENDREE A TUCKER IV

I see this mountain that's standing before me  
I know that You have the power to move it  
I see a miracle on the horizon  
I know it's good and I trust it's all in Your time

You're the God of impossible things  
You make a way when I can't see  
Open my eyes, let faith arise in me

I see You crushing my fears right before me  
I know that death has been trampled forever  
I see the victory on the horizon  
I see it's good cause the battle is already won

Giants fall down  
Fear will bow now  
At the mention of the name of Jesus

Walls will come down  
Strongholds break now  
At the mention of the name of Jesus
